Team Aaron

Strong leadership means having an experienced and diverse team to guide our movement to victory in the 2024 provincial election. Our team is excited to get to work.

Winning requires a collective effort. We must run strong campaigns across every region and ensure our candidates are ready and supported. Our team has the ability to meet this challenge and protect the important gains that make our communities strong.

In 2021, we set out to strengthen our party, promote inclusivity and ready our activists for future elections. Together, we have achieved significant milestones: electing

our first Equity Vice-President, updating the equity mandate, and launching a youth battleground program to empower activists across the province. Two successful by-elections helped to skill up new volunteers and campaign staff, and our record-breaking Forward conference trained 400 activists for the next election.

Our progress is a testament to the leadership of all our party volunteers and activists guiding our movement. We are proud to be part of the team advancing what matters to all British Columbians.
