Scott Lunny

for Member at Large (Labour)

About Scott

Scott Lunny is the Director of USW District 3, overseeing Canada's western provinces and northern territories. After earning a degree in industrial relations from the University of British Columbia, Lunny began a career as a labour, social justice and political activist in 1994.

Lunny spent a decade at IWA, serving as a national staff representative and communications officer. He later advised the president, leading organizing recruitment efforts.

In 2004, Lunny joined USW after the IWA merger. He worked as a staff representative and key member, focusing on forest policy and legislative campaigns.

As a long-time political activist and social democrat, Lunny served five years as Vice-President of the BC NDP and has been active with Steelworkers Vote and lobbying campaigns for the USW. He is actively involved in his community, serving as President of the Union Protein Project, aiding food banks and advocating for food security. He also coaches youth baseball and volunteers in local programs.

Scott looks forward to taking on the role of Member at Large (Labour), driven by his unwavering commitment to advocate for workers' rights, champion social justice, and advance equity in our party.

Team Aaron

Strong leadership means having an experienced and diverse team to guide our movement to victory in the 2024 provincial election. Our team is excited to get to work.

Winning requires a collective effort. We must run strong campaigns across every region and ensure our candidates are ready and supported. Our team has the ability to meet this challenge and protect the important gains that make our communities strong.

In 2021, we set out to strengthen our party, promote inclusivity and ready our activists for future elections. Together, we have achieved significant milestones: electing

our first Equity Vice-President, updating the equity mandate, and launching a youth battleground program to empower activists across the province. Two successful by-elections helped to skill up new volunteers and campaign staff, and our record-breaking Forward conference trained 400 activists for the next election.

Our progress is a testament to the leadership of all our party volunteers and activists guiding our movement. We are proud to be part of the team advancing what matters to all British Columbians.
