## Tania Jarzebiak

Re-elect as Vice-President

### About Tania

Tania Jarzebiak grew up in a large, working-class family that was political, but not New Democrat. It was her union that connected her to our party, and she has never looked back.

She has been actively involved in the NDP for years, volunteering on constituency executives, working campaigns across the country, helping train dozens of campaign organizers, and taking on leadership roles in the party at both the provincial and federal levels.

Tania has knocked on doors and cleaned out campaign offices on E+1. She specializes in managing suburban campaigns, and she knows how to win in tough races. She has played a key role in campaigns where we:

unseated a federal cabinet minister; held on to a seat we were expected to lose by 5 points; and defeated a popular incumbent mayor.

Tania is proud of the work Team Aaron has done in the last term and is excited to re-offer for a second term as Vice-President of the BC NDP. Her knowledge of the party and her extensive experience in field campaigns can play a vital role in guiding us to and through a successful 2024 provincial election.

### Team Aaron

Strong leadership means having an experienced and diverse team to guide our movement to victory in the 2024 provincial election. Our team is excited to get to work.

Winning requires a collective effort. We must run strong campaigns across every region and ensure our candidates are ready and supported. Our team has the ability to meet this challenge and protect the important gains that make our communities strong.

In 2021, we set out to strengthen our party, promote inclusivity and ready our activists for future elections. Together, we have achieved significant milestones: electing

our first Equity Vice-President, updating the equity mandate, and launching a youth battleground program to empower activists across the province. Two successful by-elections helped to skill up new volunteers and campaign staff, and our record-breaking Forward conference trained 400 activists for the next election.

Our progress is a testament to the leadership of all our party volunteers and activists guiding our movement. We are proud to be part of the team advancing what matters to all British Columbians.
