About Tina

From Penticton, Tina Lee's voice is one of rural BC, embodying the roles of a mother with school-aged children, an EDA President, a campaign manager, a dedicated volunteer, and an active community member. Her extensive background encompassed work on six continents, championing causes related to human rights, climate justice, and development justice.

As a seasoned communications specialist, she spearheaded outreach for Asia Pacific's largest women's human rights network and directed communications for an award-winning education organization in East Africa. Tina also led outreach in the public sector working as an advisor to the Minister of Local Government and Gender Equality in Australia's north and upon returning to B.C., was the Communications Officer for the City of Penticton.

Team Aaron

Strong leadership means having an experienced and diverse team to guide our movement to victory in the 2024 provincial election. Our team is excited to get to work.

Winning requires a collective effort. We must run strong campaigns across every region and ensure our candidates are ready and supported. Our team has the ability to meet this challenge and protect the important gains that make our communities strong.

In 2021, we set out to strengthen our party, promote inclusivity and ready our activists for future elections. Together, we have achieved significant milestones: electing

Today, Tina works in an outreach role for MP Richard Cannings. She also runs a small children's non-profit society and serves on the Okanagan College Board of Governors.

Tina takes pride in the progress on the new Equity Mandate towards an inclusive and anti-racist party, and the work accomplished over the last two years to train and support young activists. She was determined to support this vital work while ensuring that grassroots volunteers, members, and local executives received the necessary support to bring home wins in every corner of BC.

If re-elected, Tina will do her best to represent voices to strengthen the democratic, transparent, inclusive, and efficient operations of our party. She is deeply committed to returning a majority government to Victoria in 2024.

our first Equity Vice-President, updating the equity mandate, and launching a youth battleground program to empower activists across the province. Two successful by-elections helped to skill up new volunteers and campaign staff, and our record-breaking Forward conference trained 400 activists for the next election.

Our progress is a testament to the leadership of all our party volunteers and activists guiding our movement. We are proud to be part of the team advancing what matters to all British Columbians.
